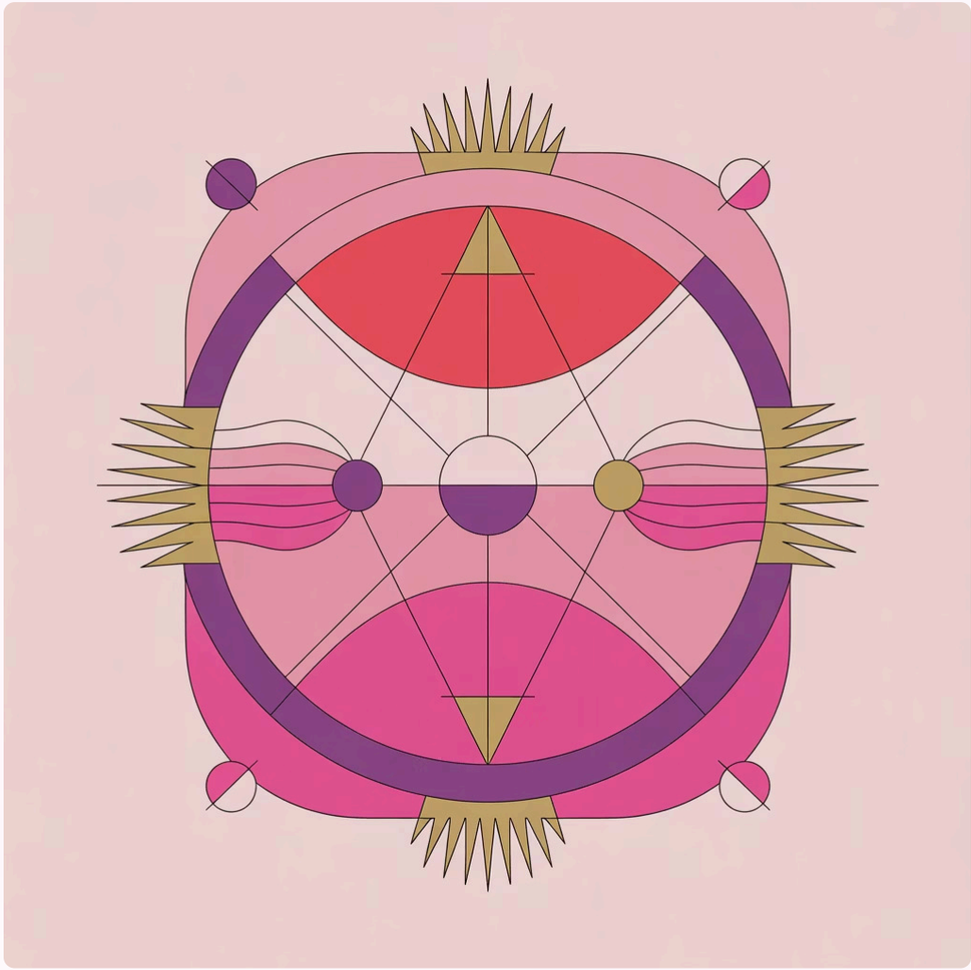
The Masculine-Feminine Duality of Creation

The Electrical-Magnetic Principle

All things contain electrical (masculine/intent) and magnetic (feminine/thought). Positive/negative, male/female—neither exists without the other. This is the fundamental nature of universe.

Thoughts are of pure feminine creation—the bride. **Intent** is purely masculine energy—the bridegroom. Only in their interaction can anything exist.



Feminine Thought

The magnetic creative force, the bride who births reality

Masculine Intent

The electrical driving force, the bridegroom who directs creation

Sacred Union

Together they create—neither can exist without the other

We Bed Every Whore That Visits

Our masculine intention (Cain/left mind) has been sleeping with every whore thought it can find to satiate its lust, greed, and 'de-sires.' **When one has de-sire, one is without balls**—ask the de-sired bull.

Whore thoughts are ideas from external sources, never personally experienced. We've been led by the rings of Saturn through the nose for millennia, creating bastard children through these impure thought-intention marriages.

Cain Mind Awakens

The analytical ego seeks external validation and stolen thoughts

Whore Thoughts Arrive

Media, religion, legal system, education—all offering ideas never experienced

Impure Marriage

Cain beds each whore thought with carnal intention

Bastard Children Born

False realities, disasters, suffering spawn from these unions

Etymology Alert: De-sire = without balls (castrated desire)

Which Crown Do You Serve?

Impure feminine energies married with impure masculine intents create exterior Crown control. We have a crown chakra—**the only question is which crown do you serve, yours or theirs?**

The Taurus Bull rules the throat (tore-us bull). Language was imposed as a 'tongue pledge' (lange-gage) for control. Saliva = "salt I give out" (sal-I-va) or "to go" (Spanish). **Silence is golden.**

Your Crown

Internal sovereignty, divine connection, pure creation from within

Their Crown

External corporation control, legal name fraud, consciousness enslavement

The Throat Chakra

Bound by language pledges, ruled by the Taurus bull, chained by words

> "Language was imposed as a 'tongue pledge' for them to rule. Silence is golden—the only way to break the spell."

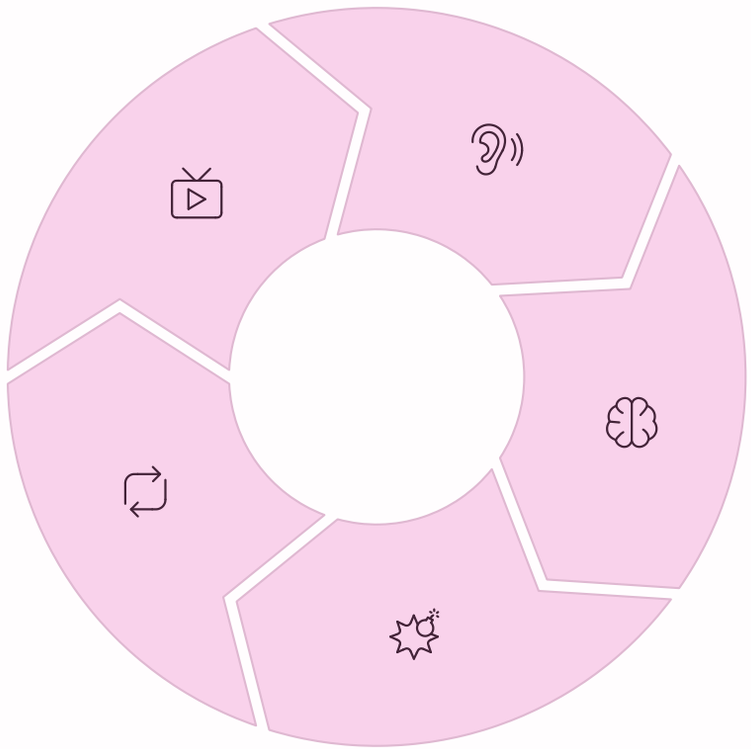
Sleeping With Whore Thoughts Creates Bastards

When someone tells you a "fact" they never experienced, that's a whore thought. Everyone sleeps with her, creating ego bastard children. **When there is absence of resonance, there is absence of truth.**

It is WE who create the storms, earthquakes, and pestilences as the cause—most get caught up only in the effect. Atlantis fell the same way, through consciousness prostitution and impure marriages.

External Source

Media, religion, authority figures



Whore Thought Received

Idea never personally experienced

Cain Beds the Whore

Analytical ego accepts and marries it

Bastard Child Born

Disaster, suffering, false reality created

Infinite Loop

Cycle repeats until awakening

Ego-based resonance vs Spirit-based resonance: One creates bastards, the other births divinity.

Only Pure Thought Can Wed Pure Intent

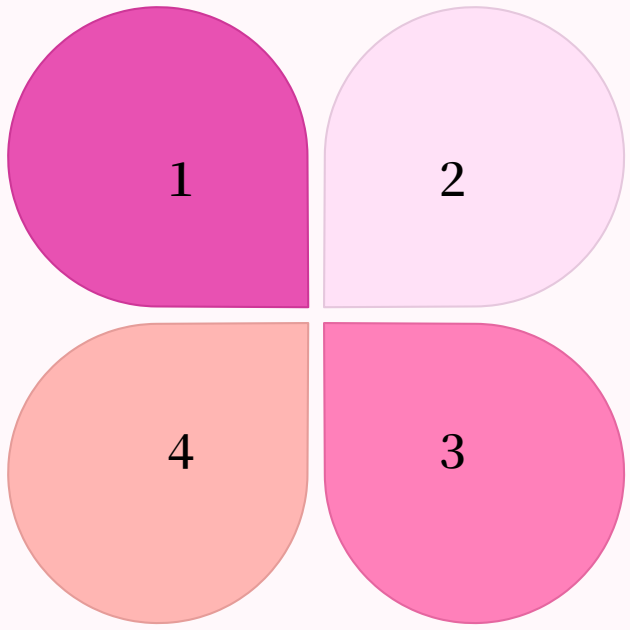
Abel Must Emerge

Abel (right mind) represents pure thought from within. Cain (left mind/analytical/ego) must be silenced for Abel to appear.

Love is not emotion—it is pure motion, neutral/unconditional. Love is the only thing that can "con-quer" (con-cur/no curse) all. Carnal emotions (no motions) stop the motion of love.

Cain: Left Mind

Analytical, ego-driven, carnal intention. Must be silenced.



Abel: Right Mind

Pure thought from within, spirit-aligned, divine intention.

The Sacred Union

Pure bride + Pure groom = The promised child within.

Love as Motion

Pure flow, neutral, unconditional. Not emotion (no-motion).

> "Only a pure thought from Abel/right mind can marry a pure intention, a 'night'/knight in shining amore."

She Will Only Unveil When SHE Chooses

The divine virgin bride only appears when thoughts and intentions are silenced. The bride's veil is placed only if she is pure, shielding her from the carnal minds of other men.

The blind man sees more—he sees with heart, not pen-all/penal mind. Pen = head/mind in all words: pen-is, pen-al, pen-man-ship, "riting." Rome is all about the Phallus.

The Virgin Bride

Pure divine thought from within, veiled until Cain is silenced

Heart Vision

The blind see more—vision through spirit, not analytical mind

The Pen Mind

PEN = HEAD in all words: pen-is, pen-al, pen-man-ship, "riting"

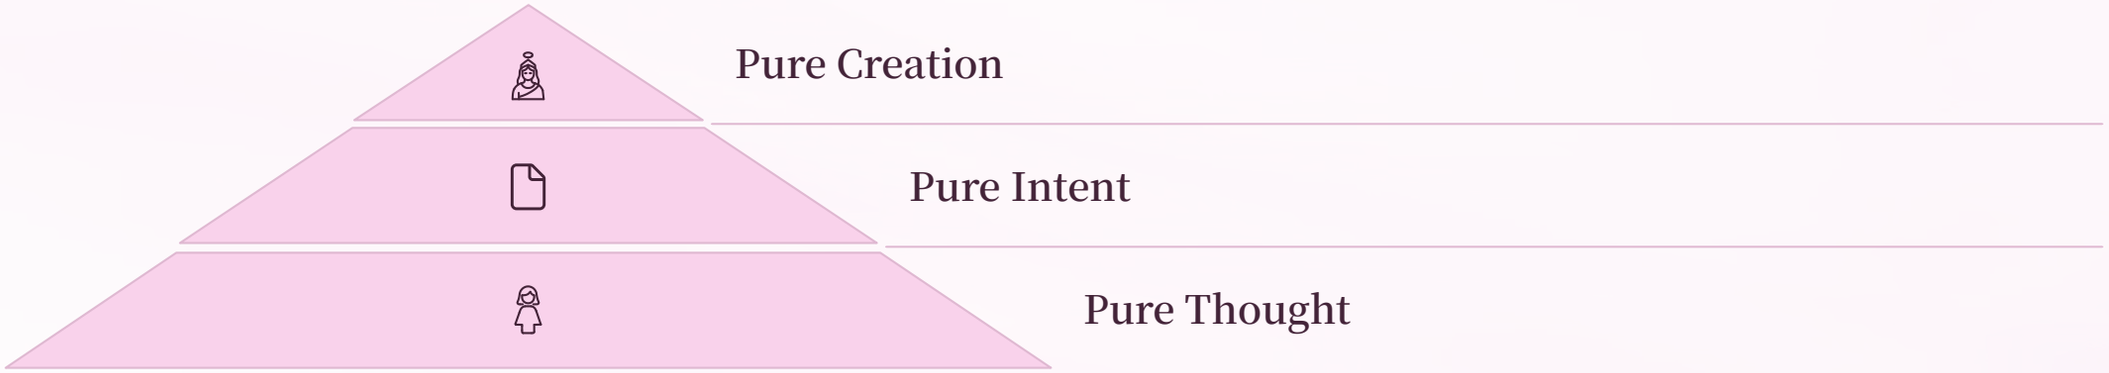
Etymology Alert: PEN = HEAD/MIND in pen-is, pen-al, pen-man-ship, "riting"

> "The divine virgin bride will never unveil herself to be wed with such filth, such carnal atrocity and vile male intent. She will only present herself when intentions and thoughts are silenced."

Two Become One: The Trinity of Creation

Marriage tradition teaches: two become one = trinity of one. Feminine thought + Masculine intention = Electro-magnetic pure creation. This is the sacred union that births divinity.

Religion offers more whore thoughts than can be counted—intentional distraction. **"Do not covet thy neighbor's wife/thoughts"** is the commandment against whore thought marriages. Your whore weddings create all your own bastards you must deal with.



The Sacred Trinity

- Feminine thought (magnetic)
- Masculine intention (electrical)
- Divine creation (child)

The Profane Brothel

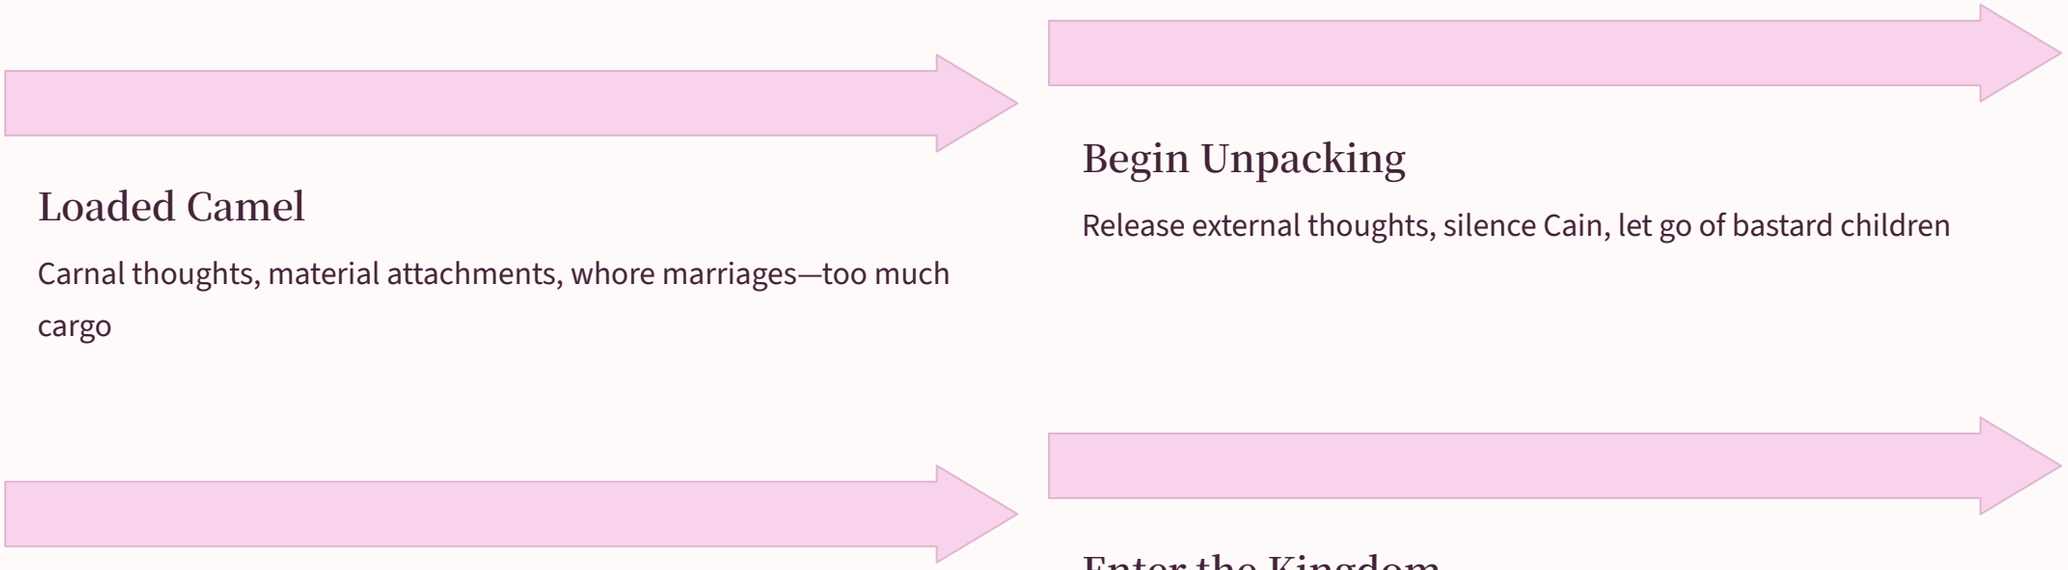
- Religious whore thoughts
- Carnal Cain intention
- Bastard children (disasters)

> "Until we cease these demonic marriages of the thoughts of another, we will loop infinitely. This is the 'do not covet thy neighbor's wife/thoughts' from the commandments."

Unpack the Cargo to Enter the Kingdom

Carnal thoughts are the luggage, the cargo of the camel that desperately needs to enter the kingdom within. **Only when fully unpacked can it squeeze through the eye of this needle.**

Wide gates cannot be passed by the materially rich—rife with carnal cargo. When one profits, one loses by adding cargo. When one gifts, no cargo lost but much gained. "Lessens" in life = lessening of cargo if you "get it," adding if you don't.



Loaded Camel

Carnal thoughts, material attachments, whore marriages—too much cargo

Begin Unpacking

Release external thoughts, silence Cain, let go of bastard children

Lighten the Load

Gift instead of profit, lessen instead of accumulate cargo

Enter the Kingdom

Fully unpacked, squeeze through needle's eye into divine sovereignty

Profit = +Cargo

Adding material burden, accumulating carnal thoughts, blocking entry

Gift = -Cargo

Releasing burden, lightening load, opening passage to kingdom within

Silence Cain, Unveil Abel, Birth the Divine

Only when Cain (analytical ego) is silenced will Abel appear. Until Cain is silenced, Abel will be slain at every opportunity. The divine virgin within will unveil only in silence. She will be virgin mother of the promised child within.

The choice is simple: having intercourse with every whore and slut Cain can bed, OR be still and await the perfect virgin bride to unveil the face of god—your face.

Whore Marriages

Cain beds every external thought, creating bastard children forever

Pure Union

Silence Cain, Abel emerges, virgin bride unveils, divine child born

> "We have within us the divine 'Abel-I-Te' (Abel I love) ability to change our universes as one collective. She will keep the apocalypse draped tightly until we cease bedding whores and silence the Cain mind."

Etymology Alert: Apocalypse = "a leather covering/veil" — she keeps it draped until you're ready

The choice: bed every whore Cain finds OR be still and await the perfect virgin bride to unveil the face of god—your face.
